RE: ROBERT GRAVLIN,
Petitioner,
v.
WORKERS' COMPENSATION APPEALS BOARD,
Respondent;
CITY OF VISTA,
Real Party in Interest.
D072155
San Diego County No. ADJ513626

Dear Counsel:

The Workers' Compensation Appeals Board has advised this court that on its own motion it granted reconsideration of the decision that is the subject of the petition for writ of review pending in this court. The Board requests the petition be dismissed without prejudice.

Petitioner is requested to file and serve by no later than 3:00 p.m. on June 9, 2017, either a request for dismissal of the petition without prejudice or, if petitioner objects to dismissal, a letter brief of no more than five pages explaining why the petition should not be dismissed. Respondent City of Vista may file and serve a letter brief within the same limitations if it so desires.
